Under the CPF Act, the CPF Board pays a minimum interest of 2.5% per annum when this interest formula yields a lower rate. The interest rate for the Special Account (SA) and Medisave Accounts (MA), as well as the interest rate to be credited to the Retirement Account (RA), is pegged to the 12-month average yield of 10-year Singapore Government Securities (10YSGS) plus 1%, or the current floor interest rate of 4% per annum, whichever is higher. As announced in 2024, the Government has decided to further extend the 4% interest rate floor for interest earned on SA, MA, and RA monies for another year from 1 January to 31 December 2025. In addition, the CPF Board will pay extra interest on the first S\$60,000 of a CPF member's combined balances, capped at S\$20,000 in the OA.

Investors should note that the applicable CPF policies and interest rates for each of the CPF accounts may be varied by the CPF Board from time to time. Please visit the CPF Board website for further information on CPF policies and interest rates.
