UNIT TRUST LOAN FINANCING RISK DISCLOSURE STATEMENT

Investing in a Unit Trust Fund with Borrowed Money is More Risky than Investing with Your Own Savings

You should assess if loan financing is suitable for you in light of your objectives, attitude to risk and financial circumstances. You should be aware of the risks, which would include the following:

1. The higher the margin of financing (that is, the amount of money you borrow for every ringgit of your own money which you put in as deposit or down payment), the greater the loss or gain on your investment.
2. You should assess whether you have the ability to service the repayments on the proposed loan. If your loan is a variable rate loan, and if interest rates rise, your total repayment amount will be increased.

3. If unit prices fall beyond a certain level, you may be asked to provide additional acceptable collateral (where units are used as collateral) or pay additional amounts on top of your normal instalments. If you fail to comply within the time prescribed, your units may be sold towards the settlement of your loan.
4. Returns on unit trusts are not guaranteed and may not be earned evenly over time. This means that there may be some years where returns are high and other years where losses are experienced. Whether you eventually realise a gain or loss may be affected by the timing of the sale of your units. The value of units may fall just when you want your money back even though the investment may have done well in the past.

This brief statement cannot disclose all the risks and other aspects of loan financing. You should therefore carefully study the terms and conditions before you decide to take a loan. If you are in doubt about any aspect of this risk disclosure statement or the terms of the loan financing, you should consult the institution offering the loan.

GENERAL INFORMATION ON PAYMENT

1. If payment is made by EPF's Members Investment Scheme, please fill in the KWSP 9N form and send back to us with this Transaction Form.
2. If payment is made by Online Transfer, please provide a copy of the online transfer receipt together with this Transaction Form.
3. Third party cheques and third party online transfers are not allowed.

DIRECT DEBIT

Direct Debit is a collection model that directly debits your bank account by giving authorisation to Eastspring to initiate the transactions. You are to complete the Direct Debit Authorisation Form authorising Eastspring Investments Berhad to debit account at a certain amount and on a specified date. This is a FREE facility provided to Eastspring investors.

The participating banks are:

- Bank Islam • Bank of America (M) Berhad • Bank Kerjasama Rakyat • CIMB Bank • Citibank • Deutsche Bank • Hong Leong Bank • HSBC Bank • JP Morgan Chase Bank • Maybank • OCBC Bank • Public Bank • RHB Bank • Standard Chartered Bank

The above list is non-exhaustive, as the service provider will review the list from time to time.

Eastspring requires one (1) month to process and enrol your application with the bank. Therefore, you are advised to submit the complete application one month prior to the deduction date. For example, if you wish to commence deduction starting from 28 June 2011, the complete application should be submitted to Eastspring by 27 May 2011. However, the deduction effective date will depend on the date Eastspring receives the complete application as well as the bank processed date.

Investments pricing will be calculated based on the date Eastspring receives the money, which is before the 4.00 p.m. cut off time regardless of your deduction date.
