HALAL BIHALAL EASTSPRING INDONESIA & MUSLIM NUSANTARA FOUNDATION

On June 19th, 2019, Eastspring Indonesia invited 15 children of Muslim Nusantara orphanage to join our “Halal Bihalal” event and celebration of our office expansion at Prudential Tower 23rd Floor.

Halal Bihalal is an Indonesian cultural event which is usually celebrated a few days after Hari Raya of Eid Al-Fitr (“Lebaran”). In this event, people would visit their family, elders, or colleague to show them respect and forgive each other without even considering their religion.

The event began with a game played by the 15 children divided into 3 groups. The winning group gets a stationery as the prize. On this event, our Eastspring Indonesia colleagues also collected basic foods and money for the orphanage house and our CEO, Pak Alan, symbolically gave the foods and money to Mrs. Monika as the Orphanage House representative. We also had a feast of sharing a cone shaped rice (“nasi tumpeng”), which is another cultural Indonesian food for celebrating this event.

Also, worth noting, we thanked Mrs. Monica for her presence in this event. She is an expat who fully dedicates herself to support Indonesian orphan children by managing Muslim Nusantara orphanage house.

Everyone had a great time, and we look forward to a successful and prosperous year ahead.
