About Eastspring Investments

Eastspring Investments is a leading Asia-based asset manager that manages over

USD254 billion¹

of assets on behalf of institutional and retail clients. Operating in Asia since 1994, Eastspring Investments is the Asian asset management business of Prudential plc, an international financial services group, and has one of the widest footprints across the region.²

We provide investment solutions across a broad range of asset classes including:

- Equities
- Fixed Income
- Multi Asset
- Quantitative

and are committed to delivering high quality investment outcomes for our clients over the long term.

Eastspring Investments is a signatory to the United Nations-supported Principles for Responsible Investment (PRI), a voluntary program which encourages best practice in environmental, social and corporate governance issues.

In Malaysia, Eastspring Investments Berhad is one of the largest asset management companies in both institutional and retail. The firm manages unit trust funds, wholesale funds as well as private mandates for individuals and institutions.
