Originally friends from music class at their school, the group's passion for music sees their band 'Cha-Ching' growing in popularity, quickly attracting a loyal fanbase around town. Cha-Ching has played to some large crowds on stage in the local park and with the money the kids earned from these performances, they learn the importance of being smart with their money and the essential skills needed to understand their choices.

It's not hard, read on and find out how they did it. You could learn some valuable money-smarts too.
