EASTSPRING INVESTMENTS UNIT TRUSTS – PAN EUROPEAN FUND (THE “FUND”)

NOTICE TO UNITHOLDERS ON THE CHANGES TO THE STRUCTURE OF THE CHARGES AND EXPENSES PAID BY THE UNDERLYING FUND

Dear Unitholder,

As you may be aware, the Fund is organised as a feeder fund which feeds into the Luxembourg-domiciled Eastspring Investments – Pan European Fund (“**Underlying Fund**”), which is a sub-fund of Eastspring Investments, an open-ended investment company with variable capital constituted in Luxembourg (“**Eastspring Investments SICAV**”).

As manager of the Fund, we wish to inform you of the following changes to the structure of the charges and expenses paid by Eastspring Investments SICAV and its sub-funds (including the Underlying Fund) that are relevant to the Fund. These changes will take effect from 1 July 2022 (the “**Effective Date**”).

Eastspring Investments SICAV presently bears the costs that must be met to ensure it is appropriately governed and administered including but not limited to costs of its establishment, the fees of the Depositary, Central Administration, Registrar and Transfer Agent, the listing fees and other expenses.

These costs will be re-organised as operating and servicing expenses (the “**Operating and Servicing Expenses**”) and paid by Eastspring Investments SICAV to Eastspring Investments (Luxembourg) S.A. (the “**Management Company**”). The Management Company will be responsible for the fees and expenses payable to the Depositary Bank, the Administration Agent and the Registrar and Transfer Agent or any other relevant appointed entity of Eastspring Investments SICAV and its sub-funds (including the Underlying Fund).

The Operating and Servicing Expenses will implement a fixed expense model (instead of the previous variable rates model), where such fixed annual percentages will correspond to anticipated expenses determined on an arm’s length basis by Eastspring Investments SICAV and the Management Company.

The excess of actual expenses incurred over the abovementioned annual percentages will be borne directly by the Management Company or its affiliates, and equally the Management Company or its affiliates may retain any surplus.

Please note that the Operating and Services Expenses will not cover certain classes of expenses, such as certain taxes, the costs of purchasing or selling assets of Eastspring Investments SICAV, the cost of borrowing and extraordinary expenses.

This objective of fixing the annual percentages payable is to preserve shareholders from fluctuations in the operating and servicing expenses of the sub-funds of Eastspring Investments SICAV.

Corresponding amendments will be made to the description of the fees and charges payable by the Underlying Fund as set out in the prospectus of the Fund on or around the Effective Date. When available, the updated prospectus of the Fund may be obtained from our appointed distributors or our office at 10 Marina Boulevard #32-01 Marina Bay Financial Centre Tower 2 Singapore 018983, during business hours, and will be accessible at www.eastspring.com.sg.

Please note that there are no changes to the investment objective and focus, and investment approach of the Fund.

The options available to you are:

Option 1 – Continue to hold your Units

No action is required on your part if you continue holding your units in the Fund (“Units”).

Option 2 – Switch your Units into units of another Eastspring authorised scheme

Should you choose to switch your Units into units of another authorised scheme managed by Eastspring Investments (Singapore) Limited (a “New Fund”), please refer to the funds listed in Annex 1 for the New Funds into which you may switch your Units. Please note that your Units of a class in the Fund (the “Class”) may only be switched into units of a class in a New Fund that is denominated in the same currency as the Class.

If you purchased your Units through a distributor, you may only switch into a New Fund which is available from your distributor. Therefore, you should check with your distributor which New Funds are available on its platform.

We will waive the switching fees within the period from **1 June 2022 to 30 June 2022** (both dates inclusive) for any switches of Units into units of the New Funds listed in Annex 1.

A valid and completed switching instruction to switch Units must be provided to your distributor by **3 p.m. Singapore time on 30 June 2022** in order to enjoy the switching fee waiver. Switching instructions received after this time will not be eligible for the switching fee waiver.

Any transaction charges imposed by CPF agent banks for switches of Units within the period from **1 June 2022 to 30 June 2022** (both dates inclusive) will be borne by us.
