*Please note that past performance of the Fund is not necessarily indicative of the future or likely performance of the Fund. The Fund may in future review the distribution amount depending on prevailing market conditions, dividend payout of the underlying stocks and dividend policy of the Fund. Distributions are declared by the Directors and ratified at the annual general meeting of shareholders, and there is no guarantee that any distribution will be made and if distributions are made, such distributions are not in any way a forecast, indication or projection of the future or likely performance/distribution of the Fund. The making of any distributions shall not be taken to imply that further distributions will be made. The Directors may also vary the frequency and/or amount of the distributions made. Distribution payout shall, at the sole discretion of the Directors, be made out of either (a) income; or (b) net capital gains; or (c) capital of the Fund or a combination of (a) and/or (b) and/or (c). When distributions are declared and paid out with respect to the Fund, the net assets attributable to the Shares will stand reduced by an amount equivalent to the product of the number of Shares outstanding and distribution amount declared per Share. For the year 2015, the Fund aims to provide potential monthly distribution rate of 6% to 8.5% p.a. for the distribution share classes. MM908/090115
