NOTICE TO HONG KONG INVESTORS

**This document is important and requires your immediate attention.
If in doubt, contact your professional adviser.**

Unless otherwise defined herein, terms used in this notice shall have the same meanings as those defined in the Hong Kong Summary Prospectus of the SICAV dated February 2023 as amended and supplemented by the First Addendum dated 13 March 2023, the Second Addendum dated 8 May 2023, the Third Addendum dated 22 May 2023, the Fourth Addendum dated 2 October 2023, the Fifth Addendum dated 18 December 2023, the Sixth Addendum dated 2 April 2024, the Seventh Addendum dated 10 June 2024, the Eighth Addendum dated 14 October 2024 and the Ninth Addendum dated 30 April 2025 ("**Hong Kong Summary Prospectus**").

Notice to the shareholders of "Eastspring Investments – China A Shares Growth Fund" (the "Sub-Fund")

Notice is hereby given to the shareholders of the Sub-Fund that the board of directors of the SICAV (the "**Board**") has decided in accordance with Article 26 of the articles of incorporation of the SICAV (the "**Articles**") and section 9.2 of the Hong Kong Summary Prospectus to initiate the liquidation of the Sub-Fund on 24 September 2025 and to compulsorily redeem all the shares of the Sub-Fund (the "**Shares**") on 30 January 2026 (the "**Liquidation Date**").

Reason for the liquidation of the Sub-Fund

The Board was informed in advance of a forthcoming significant redemption in the Sub-Fund (corresponding to approximately over 93% of the Sub-Fund's net asset value as of 25 July 2025) and considers that the Sub-Fund's assets under management will reach a level where the Sub-Fund will not be operated in an economically efficient manner anymore. As a result, the Board has decided that it would be in the best interest of the shareholders to liquidate the Sub-Fund in accordance with Article 26 of the Articles.

The fund size of the Sub-Fund was approximately USD 91,031,269 as at 31 August 2025. The ongoing charges figures of Class A and Class A_H were 1.75% and 1.74% respectively as at 31 August 2025. The ongoing charge ratio represents the total expenses and fees for a 12-month period ended 31 August 2025 expressed as a percentage of the average net asset value of the relevant class of shares of the Sub-Fund over the same period.

There is no unamortised preliminary expense in respect of the Sub-Fund.

Procedure of the liquidation of the Sub-Fund

As of the date of this notice, the Sub-Fund has been and is no longer allowed to be marketed to the public in Hong Kong or shall not accept subscription from new and existing investors. In addition, no new subscription (including via a regular savings plan) and conversion into the Sub-Fund is allowed from the date of this notice.

Hong Kong investors may redeem their holdings in the Sub-Fund or convert their holdings in the Sub-Fund into shares of another SFC-authorised¹ sub-fund of the SICAV from the date of this notice up to 24 October 2025 no later than 2.00 p.m. (Luxembourg time) (the "**Dealing Deadline**") in accordance with the dealing procedures set out in the latest Hong Kong Summary Prospectus. Hong Kong investors should check with your distributor for its internal dealing cut-off time (which may be earlier than the Sub-Fund's dealing cut-off time). No redemption or conversion fee² will be applied. Hong Kong investors should refer to the latest Hong Kong Summary Prospectus and relevant Product Key Facts Statement ("**KFS**") for details of other SFC-authorised¹ sub-funds of the SICAV.

In accordance with the Articles and the Hong Kong Summary Prospectus, if you do not redeem or convert your shares by the Dealing Deadline, the Shares will be compulsory redeemed at the applicable net asset value per Share calculated on the Liquidation Date and redemption proceeds will be paid in accordance with sub-section 2.2.3 of the Hong Kong Summary Prospectus to allow sufficient time for PRC tax audit and related tax assessment and preparation.

The Sub-Fund will bear the realization and transaction costs associated with liquidating the assets of the Sub-Fund. These realization and transaction costs will be highly dependent on market conditions and the time of liquidation. Further additional costs ("**Liquidation Costs**") associated with the liquidation of the Sub-Fund (including legal, regulatory, administrative, etc.) is estimated to be USD83,838 and will be borne by the Sub-Fund. An expense provision has been set aside to cover the Liquidation Costs and has been reflected in the Sub-Fund's net asset value as of the date of the Board's formal decision to liquidate the Sub-Fund and such provision of Liquidation Costs are borne by each of the shareholders in proportion to their respective shareholdings in the Sub-Fund as of the date of the Board's formal decision to liquidate the Sub-Fund. Where the foregoing provision exceeds the actual costs and expenses associated with the liquidation, the excess amount will be paid together with the redemption proceeds to shareholders who hold Shares as at 29 January 2026 on a pro-rata basis. On the other hand, where the actual costs and expenses exceed the provision, the excess costs and expenses will be borne by Eastspring Investments (Luxembourg) S.A., the Management Company of the SICAV. Any liquidation proceeds that cannot be distributed to the shareholders at the closure of the liquidation of the Sub-Fund shall be deposited with the "*Caisse de Consignation*" in Luxembourg until the statutory period of limitation has elapsed, pursuant to section 9.2 of the Hong Kong Summary Prospectus.

¹ SFC authorisation is not a recommendation or endorsement of the sub-fund nor does it guarantee the commercial merits of the sub-fund or its performance. It does not mean the sub-fund is suitable for all investors nor is it an endorsement of its suitability for any particular investor or class of investors.

² Please note that we will not impose any charges in respect of your redemption/conversion instructions. However, your distributor may charge you a redemption, conversion or transaction fees in respect of such instructions. You are advised to contact your distributor should you have any questions.

From the date of this notice, the Sub-Fund may commence liquidating its assets and as a result, the Sub-Fund may not be managed in accordance with its investment objective/policy and restrictions.
