(ii) A new 6th bullet is hereby inserted under risk management strategies as follows:

6th bullet:

- practising prudent liquidity management to ensure that the Fund maintains reasonable levels of liquidity to meet redemption request. We have established liquidity risk management policies to enable us to identify, monitor and manage the liquidity risk of the Fund in order to meet the redemption requests from the Unit Holders with minimal impact to the Fund as well as safeguarding the interests of the remaining Unit Holders. Such policies have taken into account, amongst others, the asset class of the Fund and the redemption policy of the Fund. To manage the liquidity risk, we have put in place the following procedures:
 - The Fund may hold a maximum of 5% of its NAV in liquid assets. This will allow the Fund to have sufficient buffer to meet the Unit Holders’ redemption request.
 - Regular review by the designated fund manager on the Fund’s investment portfolio including its liquidity profile.
 - Monitoring of the Fund’s net flows against repurchase requests during normal and adverse market conditions are performed as pre-emptive measures in tracking the Fund’s liquidity status to ensure there is sufficient cash holdings in addressing any liquidity concerns,

which would mitigate potential risks in relation to meeting Unit Holders' redemption requests.

- Suspension of repurchase requests from the Unit Holders under exceptional circumstances where the market value or fair value of a material portion of the Fund's assets cannot be determined. During the suspension period, the repurchase requests from the Unit Holders will not be accepted and such repurchase requests will be dealt on the next Business Day once the suspension is lifted. That being said, the action to suspend repurchase requests from the Unit Holders shall be exercised only as a last resort by the Manager.

The three (3) months period may be extended if it is in the best interests of Unit Holders and the Trustee's consent is obtained. Such extension will be subject to a monthly review by the Trustee.

Gains on investments in Malaysia by the Fund will not be subject to Malaysian income tax.

(ii) Dividends and Other Exempt Income

Effective 1 January 2014, all companies would adopt the single-tier system. Hence dividends received would be exempted from tax and the deductibility of expenses incurred against such dividend income would be disregarded. There will no longer be any tax refunds available for single-tier dividends received. Dividends received from companies under the single-tier system would be exempted.

The Fund may receive Malaysian dividends which are tax exempt. The exempt dividends may be received from investments in companies which had previously enjoyed or are currently enjoying the various tax incentives provided under the law. The Fund will not be taxable on such exempt income.

Interest or discount income derived from the following investments is exempt from tax:

- (a) Securities or bonds issued or guaranteed by the government of Malaysia;
- (b) Debentures¹ or sukuk, other than convertible loan stocks, approved or authorised by, or lodged with, the Securities Commission Malaysia; and
- (c) Bon Simpanan Malaysia issued by Bank Negara Malaysia.

Interest derived from the following investments is exempt from tax:

- (a) Interest paid or credited by any bank or financial institution licensed under the Financial Services Act 2013 and Islamic Financial Services Act 2013;
- (b) Interest paid or credited by any development financial institution regulated under the Development Financial Institutions Act 2002;
- (c) Bonds, other than convertible loan stocks, paid or credited by any company listed in Bursa Malaysia Securities Berhad ACE Market; and
- (d) Interest paid or credited by Malaysia Building Society Berhad².

The interest or discount income exempted from tax at the Fund level will also be exempted from tax upon distribution to the Unit Holders.

Exception: -

i. Wholesale money market fund

With effect from 1 January 2019, the exemption shall not apply to interest paid or credited to a unit trust that is a wholesale money market fund.

ii. Retail money market fund ("RMMF")

Based on the Finance Act 2021, the interest income of a RMMF will remain tax exempted under Paragraph 35A, Schedule 6 of the Act. However, resident and non-resident Unit Holders (other than individual Unit Holders), who receive income distributed from interest income of the RMMF which are exempted under Paragraph 35A of Schedule 6, will be subject to withholding tax ("WHT") at the rate of 24 percent. This new WHT was effective from 1 January 2022 onwards.

¹ Structured products approved by the Securities Commission Malaysia are deemed to be "debenture" under the Capital Markets and Services Act, 2007 and fall within the scope of exemption.

² Exemption granted through letters from Ministry of Finance Malaysia dated 11 June 2015 and 16 June 2015 and it is with effect YA 2015.

THIS SECOND SUPPLEMENTARY PROSPECTUS DATED 15 AUGUST 2022 IS TO BE READ IN CONJUNCTION WITH THE FIRST PROSPECTUS DATED 18 MAY 2020 AND THE FIRST SUPPLEMENTARY PROSPECTUS DATED 18 MAY 2020.

The WHT is to be withheld and remitted by the RMMF to the tax authorities within 30 days upon distribution of the income to the Unit Holders.

(2) Foreign Investments

With effect from 1 January 2022, the exemption of foreign-sourced income received in Malaysia is only applicable to a person who is a non-resident.

The Ministry of Finance subsequently announced on 30 December 2021 that subject to conditions, which will be set out in guidelines to be issued by the Inland Revenue Board ("IRB"), the following foreign-sourced income received from 1 January 2022 to 31 December 2026 (5 years) will continue to be exempted from Malaysian income tax:

- Dividend income received by resident companies and limited liability partnerships.
- All classes of income received by resident individuals, except for resident individuals which carry on business through a partnership.

Based on clarifications from the IRB, foreign-sourced income (e.g. dividends, interest, etc.) of a resident Fund which is received in Malaysia will be subject to tax. There will be a transitional period from 1 January 2022 to 30 June 2022 where foreign-sourced income remitted to Malaysia will be taxed at the rate of 3% on gross income. From 1 July 2022 onwards, any foreign-sourced income remitted to Malaysia will be subject to Malaysian income tax at the rate of 24% for a resident Fund.

Such income from foreign investments may be subject to taxes or withholding taxes in the specific foreign country. Subject to meeting the relevant prescribed requirements, the Fund in Malaysia is entitled for double taxation relief on any foreign tax suffered on the income in respect of overseas investment.

Gains on disposal of foreign investments by the Fund will not be subject to Malaysian income tax.

The foreign income subjected to Malaysian tax at the Fund level will also be taxable upon distribution to the Unit Holders. However, the income distribution from the Fund will carry a tax credit in respect of the Malaysian tax paid by the Fund. Unit Holders will be entitled to utilise the tax credit against the tax payable on the income distribution received by them.

(3) Hedging Instruments

The tax treatment of hedging instruments would depend on the particular hedging instruments entered into.

Generally, any gain / loss relating to the principal portion will be treated as capital gain / loss. Gains / losses relating to the income portion would normally be treated as revenue gains / losses. The gain / loss on revaluation will only be taxed or claimed upon realisation. Any gain / loss on foreign exchange is treated as capital gain / loss if it arises from the revaluation of the principal portion of the investment.

(4) Tax Deductible Expenses

Expenses wholly and exclusively incurred in the production of gross income are allowable as deductions under Section 33(1) of the Act. In addition, Section 63B of the Act provides for tax deduction in respect of managers' remuneration, expenses on maintenance of the register of Unit Holders, share registration expenses, secretarial, audit and accounting fees, telephone charges, printing and stationery costs and postages based on a formula subject to a minimum of 10 percent and a maximum of 25 percent of the expenses.

THIS SECOND SUPPLEMENTARY PROSPECTUS DATED 15 AUGUST 2022 IS TO BE READ IN CONJUNCTION WITH THE FIRST PROSPECTUS DATED 18 MAY 2020 AND THE FIRST SUPPLEMENTARY PROSPECTUS DATED 18 MAY 2020.

(5) Income from Malaysia Real Estate Investment Trusts (“REITs”)

Income from distribution from REITs listed on Bursa Malaysia will be received net of final withholding tax of 10 per cent³. No further tax will be payable by the Fund on the distribution. Distribution from such income by the Fund will also not be subject to further tax in the hands of the Unit Holders.

(6) Real Property Gains Tax (“RPGT”)

With effect from 1 January 2019, any gains on disposal of real properties or shares in real property companies⁴ would be subject to RPGT as follows:-

Effective from 1 September 2018, SST has been reintroduced to replace the Goods and Services Tax (“GST”). Both the Sales Tax Act 2018 and Services Tax Act 2018 have been gazetted on 28 August 2018. The rates for sales tax are nil, 5%, 10% or a specific rate whereas the rate for service tax is at 6 percent.

Sales tax will be chargeable on taxable goods manufactured in or imported into Malaysia, unless specifically exempted by the Minister. Whereas only specific taxable services provided by specific taxable persons will be subject to service tax. Sales tax and service tax are single stage taxes. As such, SST incurred would generally form an irrecoverable cost to the business

In general, the Fund, being a collective investment vehicle, will not be caught under the service tax regime.

Certain brokerage, professional, consultancy or management services obtained by the Fund may be subject to service tax at 6 percent. However, fund management services and trust services are excluded from service tax. With effect from 1 January 2019, service tax will apply to any taxable service that is acquired by any business in Malaysia from a non-Malaysian service provider. In this connection, the Fund, being non-taxable person who acquire imported taxable services (if any) will need to declare its imported taxable services through the submission of prescribed declaration, i.e., Form SST-02A to the Royal Malaysian Customs Department (“RMCD”).

With effect from 1 January 2020, service tax on digital services was implemented at the rate of 6 percent. Under the service tax on digital services, foreign service providers selling digital services to Malaysian consumers are required to register for and charge service tax. Digital services are defined as services which

Furthermore, the provision of digital services has also been prescribed as a taxable service when provided by a local service provider with effect from 1 January 2020. Hence, where the Fund obtains any of the prescribed digital services, those services may be subject to service tax at 6 percent.

TAXATION OF UNIT HOLDERS

Unit Holders will be taxed on an amount equivalent to their share of the total taxable income of the Fund to the extent of the distributions received from the Fund. The income distribution from the Fund will carry a tax credit in respect of the tax paid by the Fund. Unit Holders will be entitled to utilise the tax credit against the tax payable on the income distribution received by them. Generally, no additional withholding tax will be imposed on the income distribution from the Fund; unless the Fund is an RMMF, in which case there is a WHT on distribution from interest income of a RMMF which are exempted under Paragraph 35A of Schedule 6 and distributed to non-individual unitholders.

Non-resident Unit Holders may also be subject to tax in their respective jurisdictions. Depending on the provisions of the relevant country's tax legislation and any double tax treaty with Malaysia, the Malaysian tax suffered may be creditable against the relevant foreign tax.

Corporate Unit Holders, resident⁵ and non-resident, will generally be liable to income tax at 24 percent⁶ on distribution of income received from the Fund. The tax credits attributable to the distribution of income can be utilised against the tax liabilities of these Unit Holders.

Individuals and other non-corporate Unit Holders who are tax resident in Malaysia will be subject to income tax at graduated rates ranging from 1 percent to 30 percent. Individuals and other non-corporate Unit Holders who are not resident in Malaysia will be subject to income tax at 30 percent. The tax credits attributable to the distribution of income will be utilised against the tax liabilities of these Unit Holders.

The distribution of exempt income and gains arising from the disposal of investments by the Fund will be exempted from tax in the hands of the Unit Holders.

Based on the Finance Act 2021, in respect of distribution from a RMMF, resident and non-resident corporate Unit Holders (other than individual Unit Holders), who receive income distributed from interest income of the RMMF which are exempted under Paragraph 35A of Schedule 6, will be subject to WHT at the rate of 24%, effective from 1 January 2022.

⁵ Resident companies with paid up capital in respect of ordinary shares of RM2.5 million and below and having an annual sale of not more than RM50 million will pay tax at 17% for the first RM600,000 of chargeable income with the balance taxed at 24% with effect from YA 2020.

⁶ Pursuant to Finance Act 2021, the income tax rate for a company (other than Micro, Small and Medium Enterprises) will be increased to 33% if a company has chargeable income exceeding RM100,000,000 in YA 2022.

THIS SECOND SUPPLEMENTARY PROSPECTUS DATED 15 AUGUST 2022 IS TO BE READ IN CONJUNCTION WITH THE FIRST PROSPECTUS DATED 18 MAY 2020 AND THE FIRST SUPPLEMENTARY PROSPECTUS DATED 18 MAY 2020.

For resident corporate Unit Holders, the WHT is not a final tax. The resident corporate Unit Holders will need to subject the income distributed from interest income of a RMMF which are exempted under Paragraph 35A of Schedule 6 to tax in its income tax returns and the attached tax credit i.e., the 24% WHT suffered will be available for set-off against the tax chargeable on the resident corporate Unit Holders.

For non-resident Corporate Unit Holders, the 24% WHT on income distributed from interest income of a RMMF which are exempted under Paragraph 35A of Schedule 6, is a final tax.

Any gains realised by Unit Holders (other than those in the business of dealing in securities, insurance companies or financial institutions) on the sale or redemption of the units are treated as capital gains and will not be subject to income tax. This tax treatment will include in the form of cash or residual distribution in the event of the winding up of the Fund.

Unit Holders electing to receive their income distribution by way of investment in the form of new units will be regarded as having purchased the new units out of their income distribution after tax.

Unit splits issued by the Fund are not taxable in the hands of Unit Holders.

- (e) The value of the Fund's placement in deposits with any single financial institution must not exceed 20% of the Fund's NAV. However, the single financial institution limit does not apply to placement of deposits arising from:
 - (i) subscription monies received prior to the commencement of investment by the Fund; or
 - (ii) liquidation of investments prior to the termination of the Fund, where the placement of deposits with various financial institutions would not be in the best interests of Unit Holders; or
 - (iii) monies held for the settlement of redemption or other payment obligations, where the placement of deposits with various financial institutions would not be in the best interests of Unit Holders;
- (f) The aggregate value of the Fund's investments in, or exposure to a single issuer through money market instruments, deposits, underlying assets of derivatives and counterparty exposure arising from the use of over-the-counter (“OTC”) derivatives must not exceed 25% of the Fund's NAV;
- (g) The value of the Fund's investments in money market instruments issued by any group of companies must not exceed 20% of the Fund's NAV;
- (h) The Fund's investment in CIS must not exceed 25% of the units or shares in the CIS;
- (i) The Fund's investments in money market instruments must not exceed 10% if the instruments issued by any single issuer. This limit does not apply to money market instruments that do not have a pre-determined issue size;
- (j) For investments in OTC derivatives the counterparty of an OTC derivative must be a financial institution that has a minimum long-term credit rating of investment grade (including gradation and subcategories). The maximum exposure of the Fund to the counterparty, calculated based on the method prescribed in the Guidelines must not exceed 10% of the Fund's NAV;

THIS FOURTH SUPPLEMENTARY PROSPECTUS DATED 3 MAY 2024 IS TO BE READ IN CONJUNCTION WITH THE FIRST PROSPECTUS DATED 18 MAY 2020, THE FIRST SUPPLEMENTARY PROSPECTUS DATED 18 MAY 2020, THE SECOND SUPPLEMENTARY PROSPECTUS DATED 15 AUGUST 2022 AND THE THIRD SUPPLEMENTARY PROSPECTUS DATED 15 MAY 2023.

- (k) Commitment approach is used to calculate the Fund's net market exposure to derivatives. It is calculated as the sum of the (a) absolute value of the exposure of each individual derivative not involved in netting or hedging arrangements; (b) absolute value of the net exposure of each individual derivative after netting or hedging arrangements; and (c) the values of cash collateral received pursuant to the reduction of exposure to counterparties of OTC derivatives;
- (l) The Fund's global exposure from its derivatives position must not exceed the Fund's NAV at all times; and
- (m) There should be no restriction or limit for instruments issued or guaranteed by the Malaysian government and BNM.

5. Amendment to page 6 of the First Prospectus – “Fund Information – Deed”

The information in relation to the Deed is hereby deleted and replaced with the following:

The deed dated 9 April 2019, the first supplemental deed dated 6 April 2022 and the second supplemental deed dated 15 February 2024.

6. Amendments to page 7 of the First Prospectus – “Risk Factors – Specific Risks when Investing in the Fund”

The information in relation to derivatives risk is hereby inserted:

Derivatives risk

The Manager may invest in derivatives for hedging purposes. Derivatives' market values may be subject to wide fluctuations and expose the Fund to potential gains and losses due to mark-to-market value. Some of the risks associated with derivatives are, but not limited to, market risk, management company risk, counterparty risk, and liquidity risk.

The derivatives will be used to hedge the Fund's currency exposure in response to anticipated fluctuations in USD/MYR, in order to reduce the currency fluctuation risk of the Fund as the Fund's base currency is in MYR while the underlying funds are denominated in USD. The primary interest is to protect the value of the Fund.

To the extent hedging transactions are imperfect, there is no guarantee that it will be possible to remove all currency, interest rate or credit exposures. In the event the hedging strategy does not meet its intended objective, this could have an adverse impact on the NAV of the Fund.

We will monitor the credit ratings of the counterparties on an ongoing basis. This is to ensure that the counterparties of such derivatives are with minimum long-term credit rating of investment grade.

In the event that the counterparty of the financial derivative instrument is not able to fulfil its obligations especially in the event of its bankruptcy, this may lead to a loss to the Fund. Counterparty risk may be mitigated by conducting credit evaluation on the counterparty to ascertain the creditworthiness of the counterparty. Should there be a downgrade in the credit rating of the counterparty, we will evaluate the situation and reassess the creditworthiness of the counterparty. We will take the necessary steps in the best interest of the Fund. This includes the unwinding of derivatives, if there is a need to terminate current position of the derivatives.

7. Amendments to page 8 of the First Prospectus – “Bases of Valuation for the Fund”

The information in relation to derivatives is hereby inserted:

Derivatives

Derivative instruments are marked-to-market on a daily basis, where possible. Otherwise, the valuation will be based on fair value as determined in good faith by the Manager on methods or bases that have been verified by the auditor of the Fund and approved by the Trustee.
