(ii) A new 6th bullet is hereby inserted under risk management strategies as follows:

6th bullet:

- practising prudent liquidity management to ensure that the Fund maintains reasonable levels of liquidity to meet redemption request. We have established liquidity risk management policies to enable us to identify, monitor and manage the liquidity risk of the Fund in order to meet the redemption requests from the Unit Holders with minimal impact to the Fund as well as safeguarding the interests of the remaining Unit Holders. Such policies have taken into account, amongst others, the asset class of the Fund and the redemption policy of the Fund. To manage the liquidity risk, we have put in place the following procedures:
 - The Fund may hold a maximum of 30% of its NAV in Islamic liquid assets. This will allow the Fund to have sufficient buffer to meet the Unit Holders' redemption request.
 - Regular review by the designated fund manager on the Fund's investment portfolio including its liquidity profile.
 - Monitoring of the Fund's net flows against redemption requests during normal and adverse market conditions are performed as pre-emptive measures in tracking the Fund's liquidity status to ensure there is sufficient cash holdings in addressing any liquidity concerns, which would mitigate potential risks in relation to meeting Unit Holders' redemption requests.
 - Suspension of redemption requests from the Unit Holders under exceptional circumstances where the market value or fair value of a material portion of the Fund's assets cannot be determined. During the suspension period, the redemption requests from the Unit Holders will not be accepted and such redemption requests will be dealt on the next Business Day once the suspension is lifted. That being said, the action to suspend redemption requests from the Unit Holders shall be exercised only as a last resort by the Manager.

Hence, their investments will continue to be subject to the risks inherent to the Fund.

11. Amendments to page 12 of the First Prospectus - “Risk Factors – Specific Risks When Investing in the Fund”

Equity risk

Adverse price movements of a particular Shariah-compliant securities invested by the Fund may adversely affect the Fund's NAV. The External Investment Manager strives to mitigate the impact of a particular Shariah-compliant securities risk through portfolio diversification.

Meanwhile investing in Shariah-compliant equity-related securities such as rights and Shariah-compliant warrants, where price movement is dependent on the price movement of the underlying of the Shariah-compliant equity-related securities, the risk is generally higher than their Shariah-compliant equities as these Shariah-compliant equity-related securities are leveraged form of investment. The price of Shariah-compliant equity-related securities generally fluctuates more than the Shariah-compliant equities and consequently may affect the volatility of the Fund's NAV. To mitigate the risk, the External Investment Manager will conduct rigorous fundamental analysis of the Shariah-compliant equities and Shariah-compliant equity-related securities.

Shariah-compliant warrants are financial instruments that give the buyer the right but not the obligation to purchase or sell Shariah-compliant equities at a pre-determined price before the expiry date. Such

investments may experience time decay, and the erosion of value accelerates as the instrument advances to its expiry date.

Shariah status reclassification risk

a) Shariah-compliant equity securities

This risk refers to the risk that the currently held Shariah-compliant equity securities in the Fund may be reclassified as Shariah non-compliant in the periodic review of the securities by the SAC of the SC or the Shariah Adviser. If this occurs, the External Investment Manager will take the necessary steps to dispose of such securities.

Opportunity loss could occur due to the restriction on the Fund to retain the excess capital gains derived from the disposal of the reclassified Shariah non-compliant securities. In such an event, the Fund is required:-

- (i) to dispose of such securities with immediate effect or within one (1) calendar month if the value of the securities exceeds or is equal to the investment cost on the effective date of reclassification of the list of Shariah-compliant securities (“Reclassification”) by the SAC of the SC or date of review (“Review”) by the Shariah Adviser. The Fund is allowed to keep dividends received and capital gains from the disposal of the securities up to the effective date of Reclassification or Review. However, any dividends received and excess capital gains from the disposal of the Shariah non-compliant securities after the effective date of Reclassification or Review should be channelled to *baitulmal* and/or charitable bodies advised by the Shariah Adviser;
- (ii) to hold such securities if the value of the said securities is below the investment cost on the effective date of Reclassification or Review until the total subsequent dividends received (if any) and the market price of the securities is equal to the cost of investment at which time disposal has to take place within one (1) calendar month, excess capital gains (if any) from the disposal of the securities should be channelled to *baitulmal* and/or charitable bodies advised by the Shariah Adviser; or

to dispose of such securities at a price lower than the investment cost which will result in a decrease in the Fund’s value.

b) Islamic money market instruments or Islamic deposits or Islamic collective investment schemes

This risk refers to the risk of a possibility that the currently held Islamic money market instruments or Islamic deposits or Islamic collective investment schemes invested by the Fund may be declared as Shariah non-compliant by the relevant authority or the Shariah Adviser. If this occurs, the External Investment Manager will take the necessary steps to dispose of or withdraw such money market instruments or deposits or collective investment schemes.

Note: Please refer to cleansing process for the Fund for details

12. Amendments to pages 13 - 16 of the First Prospectus – “Fund Information – Additional Information In Relation To Islamic Fund”

The information in relation to the additional information in relation to Islamic fund is hereby deleted and replaced with the following:

ADDITIONAL INFORMATION IN RELATION TO ISLAMIC UNIT TRUST FUND

THIS THIRD SUPPLEMENTARY PROSPECTUS DATED 30 SEPTEMBER 2022 IS TO BE READ IN CONJUNCTION WITH THE FIRST PROSPECTUS DATED 8 APRIL 2019, THE FIRST SUPPLEMENTARY PROSPECTUS DATED 8 APRIL 2019 AND THE SECOND SUPPLEMENTARY PROSPECTUS DATED 1 AUGUST 2019.

1. Shariah Investment Guidelines

The following guidelines are adopted by the Shariah Adviser in determining the Shariah status of investments of the Fund:

- The Fund must at all times and all stages of its operation comply with Shariah principles as resolved by the SAC of the SC or in cases where no specific rulings are made by the SAC of the SC or the decisions of the Shariah Adviser.
- The Fund must be raised and operated by the Manager, and finally redeemed by the investors on the basis of contracts which are acceptable in Shariah. The banking facilities and short-term money market instruments used for the Fund have to be Shariah-compliant. Similarly, all the other investment instruments including securities must be Shariah-compliant.
- For Shariah-compliant securities listed on the Bursa Malaysia, the Fund's investments must be strictly confined to those Shariah-compliant securities on the list approved by the SAC of the SC.
- For Islamic money market instruments or Islamic deposits, they shall be based on the data readily available on BNM website and the financial institutions' websites.
- The SAC of the SC has adopted a standard methodology to determine the Shariah compliance of companies listed on Bursa Malaysia. This methodology takes into consideration both the quantitative and qualitative aspects of the listed companies.

(a) Quantitative analysis:

The quantitative part is a two-tier benchmark applied to the business activities of the companies and to the financial ratios of the companies. The business activity benchmarks consist of a 5% benchmark and a 20% benchmark.

(i) Business activity benchmarks

For the business activity benchmarks, the revenue or income contribution of Shariah non-compliant business activities to the group revenue or group profit before taxation of the listed companies will be computed and compared against the relevant business activity benchmarks, and must be less than the 5% or the 20% benchmarks.

The 5% benchmark would be applicable to the following business activities:

- Conventional banking and lending;
- Conventional insurance;
- Gambling;
- Liquor and liquor-related activities;
- Pork and pork-related activities;
- Non-halal food and beverages;
- Shariah non-compliant entertainment;
- Interest income¹ from conventional accounts and instruments (including interest income awarded arising from a court judgement or arbitration);
- Dividends¹ from Shariah non-compliant investments;
- Tobacco and tobacco-related activities; and

THIS THIRD SUPPLEMENTARY PROSPECTUS DATED 30 SEPTEMBER 2022 IS TO BE READ IN CONJUNCTION WITH THE FIRST PROSPECTUS DATED 8 APRIL 2019, THE FIRST SUPPLEMENTARY PROSPECTUS DATED 8 APRIL 2019 AND THE SECOND SUPPLEMENTARY PROSPECTUS DATED 1 AUGUST 2019.

- Other activities deemed non-compliant according to Shariah principles as determined by the SAC of the SC.

¹ *Interest income and dividends from Shariah non-compliant investments will be compared against the group revenue. However, if the main activity of the company is holding of investment, the dividends from Shariah non-compliant investments will be compared against the group revenue and group profit before taxation.*

The 20% benchmark would be applicable to the following activities:

- Share trading in Shariah non-compliant securities;
- Stockbroking business other than Islamic stockbroking company;
- Rental received from Shariah non-compliant activities; and
- Other activities deemed non-compliant according to Shariah principles as determined by the SAC of the SC.

(ii) Financial ratio benchmarks

In addition, the financial ratios for cash in conventional accounts and instruments as well as interest-bearing debts over the total assets of the listed companies are also considered in the analysis carried out by the SAC of the SC to determine their Shariah compliance status.

The financial ratios applied are as follows:

- **Ratio of cash over total assets**

Cash will only include cash placed in conventional accounts and instruments, whereas cash placed in Islamic accounts and instruments will be excluded from the calculation.

- **Ratio of debt over total assets**

Debt will only include interest-bearing debt whereas Islamic financing or sukuk will be excluded from the calculation.

Both benchmark ratios, which are intended to measure *riba* and *riba*-based elements within a listed company's balance sheet, must be less than 33%.

(b) Qualitative analysis:

As for qualitative aspect of the Shariah compliance analysis, an additional criterion will be considered namely the public perception or image of the listed company which must be acceptable from the Shariah perspective.

- The SAC of the SC had considered the following criteria for a Special Purpose Acquisition Company (SPAC) to be classified as Shariah-compliant:
 - ❖ The proposed business activity should be Shariah-compliant;
 - ❖ The entire proceeds raised from the initial public offering should be placed in an Islamic account; and
 - ❖ In the event that the proceeds are invested, the entire investment should be Shariah-compliant.

THIS THIRD SUPPLEMENTARY PROSPECTUS DATED 30 SEPTEMBER 2022 IS TO BE READ IN CONJUNCTION WITH THE FIRST PROSPECTUS DATED 8 APRIL 2019, THE FIRST SUPPLEMENTARY PROSPECTUS DATED 8 APRIL 2019 AND THE SECOND SUPPLEMENTARY PROSPECTUS DATED 1 AUGUST 2019.

- Shariah-compliant securities include ordinary shares and warrants (issued by the companies themselves). This means that warrants are classified as Shariah-compliant securities provided the underlying shares are also Shariah-compliant. On the other hand, loan stocks and bonds are Shariah non-compliant securities unless they are structured based on SAC of the SC's approved Shariah rulings, concepts and principles.
- For investments in unlisted Shariah-compliant equities, the Shariah Adviser also applies the screening methodology of the SAC of the SC in its Shariah screening. As such, the External Investment Manager must submit to the Shariah Adviser the latest information pertaining to the issuer's business activities, its complete financial statements and other related information to enable the Shariah Adviser to carry out the Shariah screening.
- For investments in Islamic collective investment schemes, the External Investment Manager must submit to the Shariah Adviser all pertinent information including the prospectuses, its structures, investment avenues, Shariah investment guidelines, Shariah contracts and Shariah pronouncements by the relevant Shariah advisers advising the Islamic collective investment schemes, for the Shariah Adviser to confirm the Shariah status of the said Islamic collective investment schemes.
- The decision of the Shariah Adviser shall be final.

2. Cleansing process for the Fund

(a) Wrong Investment

(i) Investment in Shariah non-compliant equity securities

This refers to Shariah non-compliant investment made by the External Investment Manager. The said investment shall be disposed of or withdrawn with immediate effect, if possible, or otherwise within one (1) calendar month of knowing the status of the investment. In the event that the investment resulted in any gain in the form of capital gain or dividend before or after the disposal of the instrument, it has to be channeled to *baitulmal* and/or charitable bodies advised by the Shariah Adviser. The Shariah Adviser advises that this cleansing process (i.e. channeling of income from wrongful investment to *baitulmal* and/or charitable bodies advised by the Shariah Adviser) shall be carried out within two (2) calendar months from the said disposal or withdrawal date. If the disposal of the investment resulted in losses to the Fund, the losses are to be borne by the Manager.

(ii) Investment in other Shariah non-compliant instruments (i.e. money market instruments or deposits or collective investment schemes)

The said investment shall be disposed of or withdrawn with immediate effect if possible, or otherwise within one (1) calendar month of knowing the status of the investment. In the event that the investment resulted in Shariah non-compliant income before or after the disposal of the instrument, it has to be channeled to *baitulmal* and/or charitable bodies advised by the Shariah Adviser. The Shariah Adviser advises that this cleansing process (i.e. channeling of income from wrongful investment to *baitulmal* and/or charitable bodies advised by the Shariah Adviser) shall be carried out within two (2) calendar months from the said disposal or withdrawal date. If the disposal of the investment resulted in losses to the Fund, the losses are to be borne by the Manager.

(b) Reclassification of Shariah Status of the Fund's Investment

(i) Shariah-compliant equity securities

Reclassification of Shariah status refers to securities which were earlier classified as Shariah-compliant securities but due to failure to meet the set benchmark criteria, are subsequently reclassified as Shariah non-compliant by the SAC of the SC or the Shariah Adviser. If on the effective date of reclassification of the list of Shariah-compliant securities ("Reclassification") by the SAC of the SC or date of review ("Review") by the Shariah Adviser, the value of the securities held exceeds or is equal to the investment cost, the Fund which holds such Shariah non-compliant securities must liquidate them. To determine the time frame to liquidate such securities, the Shariah Adviser advises that such securities should be disposed of within one (1) calendar month of Reclassification or Review.

Any dividends received up to the effective date of Reclassification or Review and capital gains arising from the disposal of the said reclassified Shariah non-compliant securities made with respect to the closing price on the effective date of Reclassification or Review can be kept by the Fund. However, any dividends received and excess capital gains derived from the disposal after the effective date of Reclassification or Review at a market price that is higher than the closing price on the effective date of Reclassification or Review shall be channeled to *baitulmal* and/or charitable bodies advised by the Shariah Adviser. The Shariah Adviser advises that this cleansing process should be carried out within two (2) calendar months from the above disposal date.

The Fund is allowed to hold the Shariah non-compliant securities if the market price of the said securities is below the investment cost. It is also permissible for the Fund to keep the dividends received during the holding period until such time when the total amount of the dividends received and the market value of the Shariah non-compliant securities held equal the investment cost. At this stage, the Fund is advised to dispose of their holdings. In addition, during the holding period, the Fund is allowed to subscribe to:

- any issue of new securities by a company whose Shariah non-compliant securities are held by the Fund e.g. rights issues, bonus issues, special issues and warrants [excluding securities whose nature is Shariah non-compliant e.g. irredeemable convertible unsecured loan stock (ICULS)]; and
- securities of other companies offered by the company whose Shariah non-compliant securities are held by the Fund,

on conditions that the Fund expedites the disposal of the Shariah non-compliant securities. For securities of other companies [as stated in the second bullet above], they must be Shariah-compliant securities.

This refers to the instruments which were earlier classified as Islamic money market instruments or Islamic deposits or Islamic collective investment schemes but due to certain factors such as changes in the issuers' business direction and policy or failure to carry out proper Shariah contracts' transactions, which render the instruments Shariah non-compliant by the relevant authority or the Shariah Adviser. the External Investment Manager will take the necessary steps to dispose of or withdraw such money market instruments or deposits or collective investment schemes.

If on the reclassification effective date, the value of the Shariah non-compliant instruments held exceeds or is equal to the investment cost, the Fund which holds such Shariah non-compliant instruments must liquidate them. To determine the time frame to liquidate such instruments, the Shariah Adviser advises that such reclassified Shariah non-compliant instruments should be disposed of within one (1) calendar month of reclassification.

Any income received up to the reclassification effective date and capital gains arising from the disposal of the said reclassified Shariah non-compliant instruments made on the reclassification effective date can be kept by the Fund.

However, any income received and excess capital gain derived from the disposal after the reclassification effective date at a price that is higher than the price on the reclassification effective date shall be channeled to *baitulmal* and/or charitable bodies advised by the Shariah Adviser. The Shariah Adviser advises that this cleansing process should be carried out within two (2) calendar months from the above disposal date.

3. Zakat for the Fund

The Fund does not pay zakat on behalf of its Unit Holders, both Muslim individuals and Islamic legal entities. Thus, Unit Holders are advised to pay zakat on their own.

The effect of this is that any gains or profits received and expenses incurred, in lieu of interest, in transactions conducted in accordance with the principles of Syariah, will be accorded the same tax treatment as if they were interest.

² Structured products approved by the Securities Commission Malaysia are deemed to be “debenture” under the Capital Markets and Services Act, 2007 and fall within the scope of exemption.
