Distribution payouts can be made out of (a) income; or (b) net capital gains; or (c) capital of the Fund or a combination of any of (a) and/or (b) and/or (c). For further details on historical distributions and their compositions for the last 12 rolling months, please refer to our website. Please refer to the full distributions disclosure at the end. Funds with Monthly and Quarterly Distribution Frequency: Annualised Dividend yield = (Dividend per share / Reference NAV at start of distribution period) x (No. of calendar days in a year / No. of calendar days in distribution period) x 100%. Funds with Yearly Distribution Frequency: Annualised Dividend Yield = (Dividend amount / Total Net Assets) x (No. of calendar days in a year / No. of calendar days in distribution period) x 100%. "N.A." means that this share class does not distribute dividends.

Footnote #[1]: The benchmark for the hedged share classes, if any, is also calculated on a hedged basis. Calendar year returns are based on the share class performance for the year, and if the share class was incepted during a particular year, the returns shown relate to the performance of the share class since its inception to the end of that calendar year. Wef July 2018, the monthly fund and benchmark returns calculated are aligned to the last NAV date of the fund for the month.

Disclaimer

This document is issued by Eastspring Investments (Singapore) Limited (UEN: 199407631H). Eastspring Investments (Singapore) Limited is the appointed Singapore Representative and agent for service of process in Singapore. This advertisement has not been reviewed by the Monetary Authority of Singapore.

The Fund is a sub-fund of Eastspring Investments, an open-ended investment company with variable capital (Société d'Investissement à Capital Variable or SICAV) registered in the Grand Duchy of Luxembourg, which qualifies as an Undertakings for Collective Investment in Transferable Securities ("UCITS") under relevant EU legislation. The Management Company of the SICAV is Eastspring Investments (Luxembourg) S.A., Grand-Duchy of Luxembourg.

All transactions into the Fund should be based on the Singapore Prospectus and Product Highlights Sheet ("PHS"). Such documents, together with the articles of incorporation of the SICAV and the most recent financial reports, may be obtained free of charge from Eastspring Investments (Luxembourg) S.A., or at relevant Eastspring Investments business units/website and their distribution partners.

This document is solely for information and does not have any regard to the specific investment objectives, financial or tax situation and the particular needs of any specific person who may receive this document. This document is not intended as an offer, a solicitation of offer or a recommendation, to deal in shares of securities or any financial instruments.

Please refer to the offering documents for details on fees and charges, dealing and redemption, product features, risk factors and seek professional advice before making any investment decision. An investment in the Fund is subject to investment risks, including the possible loss of the principal amount invested. The value of shares in the Fund and the income accruing to the shares, if any, may fall or rise. Where an investment is denominated in a currency other than the base currency of the Fund, exchange rates may have an adverse effect on the value, price or income of that investment. Investors should not make any investment decision solely based on this document. Investors may wish to seek advice from a financial adviser before purchasing shares of the Fund. In the event that an investor may choose not to seek advice from a financial adviser, the latter should consider carefully whether the Fund in question is suitable for him.

Past performance and the predictions, projections, or forecasts on the economy, securities markets or the economic trends of the markets are not necessarily indicative of the future or likely performance of Eastspring Investments or any of the funds managed by Eastspring Investments. There are limitations to the use of indices as proxies for the past performance in the respective asset classes/sector.

The Fund may use derivative instruments for efficient portfolio management and/or hedging purposes.

For Funds intending to pay distributions: Distributions are not guaranteed and may fluctuate. Payment of distributions out of capital amounts to a return or withdrawal of part of an investor's original investment or from any capital gains attributable to that original investment. Any payment of distributions by the Fund will result in an immediate reduction in the net asset value per unit/share. Positive distribution yield does not imply a positive return and should not be confused with the Fund's performance. Past distributions are not necessarily indicative of future trends, which may be lower. Distribution payouts and its frequency are determined by the Manager/ Board of Directors. Distribution of dividends is at the discretion of the Manager/ Board of Directors taking into consideration market conditions and underlying securities.

Eastspring Singapore is an ultimately wholly-owned subsidiary of Prudential plc of the United Kingdom. Eastspring Singapore and Prudential plc are not affiliated in any manner with Prudential Financial, Inc., a company whose principal place of business is in the United States of America or with the Prudential Assurance Company Limited, a subsidiary of M&G plc, a company incorporated in the United Kingdom.

In case of discrepancy between the English and Chinese versions, the English version shall prevail.
