## INVESTMENT OBJECTIVE

This Sub-Fund aims to maximise income and capital growth through the implementation of an actively managed investment strategy across the Asian fixed income and currency markets. The Sub-Fund invests in a diversified portfolio consisting primarily of fixed income/debt securities issued by Asian entities or their subsidiaries. The securities may be denominated in US dollars as well as the various Asian currencies. Exposure to each of the assets will be mainly through debt securities, forwards, swaps, options and futures, each of which may be traded through recognised exchanges or via the over-the-counter markets. This Sub-Fund may invest up to 20% of its net assets in ABS, MBS, Contingent Convertible Bonds ("CoCos"), Distressed Securities and Defaulted Securities, with a limit of 10% for Distressed Securities and Defaulted Securities combined. In addition, this Sub-Fund may invest up to 10% of its net assets in synthetic fixed income instruments (including credit-linked notes). It may also hold up to 10% of its net assets in equity securities to the extent that such securities result from the conversion or exchange of a preferred stock or debt obligation. This Sub-Fund may make investments up to 30% of its net assets in Chinese onshore debt securities through the China interbank bond market direct access program (the "CIBM Direct Access Program") and/or China Hong Kong Bond Connect ("Bond Connect") that is limited to 10% of its net assets.

### Performance Disclosure:

(p.a.): per annum. Source: Eastspring Investments (Singapore) Limited. Returns are based in share class currency and computed on bid-bid basis with net income reinvested, if any. Offer-bid is inclusive of sales charge which is subject to changes. Since inception returns for periods less than a year are not annualised. The benchmark for the hedged share classes, if any, is also calculated on a hedged basis. Calendar year returns are based on the share class performance for the year, and if the share class was incepted during a particular year, the returns shown relate to the performance of the share class since its inception to the end of that calendar year. Wef July 2018, the monthly fund and benchmark returns calculated are aligned to the last NAV date of the fund for the month. Past performance information presented is not indicative of future performance.

This document is not intended as an offer, a solicitation of offer or a recommendation, to deal in shares of securities or any financial instruments.

Please refer to the offering documents for details on fees and charges, dealing and redemption, product features, risk factors and seek professional advice before making any investment decision. An investment in the Fund is subject to investment risks, including the possible loss of the principal amount invested. The value of shares in the Fund and the income accruing to the shares, if any, may fall or rise. Where an investment is denominated in a currency other than the base currency of the Fund, exchange rates may have an adverse effect on the value price or income of that investment. Investors should not make any investment decision solely based on this document. Investors may wish to seek advice from a financial adviser before purchasing shares of the Fund. In the event that an investor may choose not to seek advice from a financial adviser, the latter should consider carefully whether the Fund in question is suitable for him.

Past performance and the predictions, projections, or forecasts on the economy, securities markets or the economic trends of the markets are not necessarily indicative of the future or likely performance of Eastspring Investments or any of the funds managed by Eastspring Investments. There are limitations to the use of indices as proxies for the past performance in the respective asset classes/sector.

**The Fund may use derivative instruments for efficient portfolio management and hedging purposes.**

**Distributions are not guaranteed and may fluctuate. Past distributions are not necessarily indicative of future trends, which may be lower.** Distribution payouts and its frequency are determined by the Board of Directors, and can be made out of (a) income; or (b) net capital gains; or (c) capital of the Fund or a combination of any of (a) and/or (b) and/or (c). The payment of distributions should not be confused with the Fund's performance, rate of return or yield. Any payment of distributions by the Fund may result in an immediate decrease in the net asset value per share.

**The preceding paragraph is only applicable if the Fund intends to pay dividends / distributions.**
